Safety recommendations to be followed in places where performances involving fire are here

- Keep doors and windows closed, blinds down, shop windows and glass protected, and awnings retracted and secured. Do not hang clothes or other similar items outside.
- Do not place any objects that could obstruct the performance or the smooth flow of people.
- Do not light fires or smoke near bags or trolleys containing pyrotechnic material.
- Do not invade the space where the performance is taking place or touch or disturb any of its members.
- Maintain adequate safety distances to protect yourself from sparks and detonations from pyrotechnic products.
- Protect yourself with a hat and/or scarf. Wear cotton or denim clothing, preferably, and never synthetic fibres. Wear long trousers and closed-toe shoes.
- Follow the instructions of the organisers.
