OUR VALUES

RESPECT AND EQUALITY

The celebration is for everyone. We want it healthy and respectful: if you consume alcoholic beverages, do so responsibly and try to eat beforehand. And remember, if you drink, do not drive. We all take care of the spaces, decorations, and public furniture so that everyone can enjoy them.

SAFETY AND COEXISTENCE

To enjoy Christmas activities safely, always maintain a safe distance from floats and avoid approaching or trying to climb on them.

If candies are thrown, do not step onto the road to pick them up while floats are moving.

If you come with children, make sure to hold their hands and, in case they get lost, it is recommended they wear a wristband or card with their name and contact number.

During the parade, avoid crossing the street.

GRATITUDE AND COLLABORATION

Torredembarra Fishermen's Brotherhood, Civil Protection Volunteers, and all entities and associations participating in organizing the various events of the program.
